

To: MD Year 1 students

From: UBC MD/PhD Program

If you are interested in submitting an application to the MD/PhD Program, please complete this form and email it to md.phd@ubc.ca as per website instructions.

Shortlisted applicants will be invited to an MD/PhD interview in February.

We are collecting the information at this time about who, from the Med 1 class, is considering submission of a full application to help us determine how many slots we should hold open for interview scheduling purposes. As always feel free to contact the MD/PhD Program office if you have questions about the application process.
